

# QS SCHOLARSHIPS SCHEME

## All you need to know about scholarships funded by QS

### How does the US\$7 million add up?

At QS, one of our mission is to help talented people fulfil their potential by offering scholarships funded by QS and securing further scholarships offered by schools, universities and media partners we work with.

### How can you apply?

Scholarships offered by our partners provide the bigger share of the available US\$7 million. You can apply for these scholarships via our QS Events App (available on the App Store or Google Play). You can apply for any QS- funded scholarship either via the QS Events App or on our websites [TopMBA.com/scholarships](https://www.TopMBA.com/scholarships) and [TopUniversities.com/scholarships](https://www.TopUniversities.com/scholarships)

### Is there any other way that I can get support from QS?

You can WIN 1 of 5 prepaid credit cards worth up to \$500 US Dollars by completing the QS International Student Survey ( <https://www.surveygizmo.eu/s3/90100193/2f67b9b67374> ). Each year we're able to produce some of the most thorough, relevant and insightful data on international education trends through surveys such as this. The information you submit is anonymous and will help bridge the gap between excellent institutions and talented students.

We wish you the best of luck with your scholarship application!
